References:

7234 - PFI Trade Up 7234 - Angus - Pauls Muscular x Blackjacks 928 - AAA 16051233 - Moderate and expressively muscled, clean made.

First calves born this fall are small, vigorous, and developing impressively.

7368 - LVCC Emblazon 7368 - son of OCC Emblazon out of an Express cow bred by Lee Vanderwork. Used in clean-up service, bred to group C.

6486 - PFI Emblazon Meyer 6486 - son of OCC Emblazon out of 3C 388 Meyer-Angus cow. 6486 is 3/4 Angus & 1/4 Simmental

Calves sired by 6486 come easy, grow well, and will make good replacement prospects. He's out of an outstanding cow.

Freestyle II - ET sons of OCC Freestyle out of YaHoo's dam, 2-92, a prolific Meyer 734 x Mr. A+ cow, a foundation dam at Purvine Farms

Prefixes and abbreviations - GCC Griswold Cattle Co - OCC Ohlde Cattle Co - NA Nolles Angus - FSHM OCC Freestyle x Houdini/Meyer

AN Angus - MA Maine - SM Simmental - CA Chiangus - PE Pasture Exposed

Other sires can be referenced at www.purvinefarms.com, by clicking "Herd Sires" on the menu bar.

Pregnacy status was as of November 14. Heifers were ultrasound checked by Scott Sturgeon DVM

We greatly appreciate your interest in this set of cattle. Thank you - Chet Purvine
